Position: Sr. Mechanical Design Group Manager
Location: Pittsburgh
Status: Full-Time (exempt)
Compensation: Based on experience

Sci-Tek Consultants, Inc. is a dynamic engineering and consulting firm with 26 years of experience providing answers to the many and varied challenges posed by our clients. With 49 employees located in our Pittsburgh, Philadelphia, and Washington, PA offices, we provide value added engineering and surveying services.

Due to expansion, we are experiencing growth in our MEP Building Systems engineering practice within the firm. We are seeking a Senior Mechanical Engineer for our Pittsburgh, PA office to lead this effort and provide design engineering, production, and project delivery for a diverse portfolio of building systems design in the commercial, institutional, and public infrastructure market segments. In anticipation of upcoming projects like Lower Hill District Arena site, UPMC Presbyterian Hospital Tower, and Pitt's Central Oakland Housing project, among others, the successful candidate will be involved with all aspects of mechanical design, including HVAC systems, plumbing and fire protection.

Required Skills/Experience

- Bachelor's degree in Mechanical Engineering; with a PE registration (PA licensure preferred).
- 8 + Years, experience developing designs for MEP/HVAC systems in new and existing facilities, managing projects, setting priorities, and meeting established schedules.
- Proficient using AutoCAD and Revit software.
- Excellent proposal/report writing, client relationships, and management skills.
- Good verbal and written communication, critical thinking, and problem-solving skills.

Sci-Tek offers competitive compensation including paid time off, health benefits, 401K Profit Sharing Plan and tuition reimbursement programs. Sci-Tek is an equal opportunity employer that seeks to be a premier provider of innovative, value-added solutions to its clients' many challenges.

If you are a proven professional that possesses the experience we are seeking, and are looking to join a growing firm, please email your cover letter and resume to mail@scitekanswers.com
