

CALL FOR PRESENTATIONS

We Want YOU
(at the PDH Boot Camp)

PDH BOOT CAMP

Presented by
The Engineers' Society of Western Pennsylvania
and the
American Society of Civil Engineers
Pittsburgh Section

Conference date: Friday, September 17, 2021 at the ESWP

The PA P.E. License Renewal Date is September 30, 2021 - do you have your 24 PDHs?

The Engineers' Society of Western Pennsylvania (ESWP) and the American Society of Civil Engineers Pittsburgh Section (ASCE) is pleased to present the 2021 "PDH Boot Camp" on Friday, September 17, 2021.

This one day conference will aim to provide timely and interesting technical sessions suitable for professional development hours (PDHs) for our members and affiliated groups. ESWP is also an accredited continuing education provider in Florida and New York.

We are seeking 50-minute presentations in a wide variety of engineering-themed topics. Topics include, but aren't limited to:

- Ethics and Legal Issues for Engineers
- Transportation Design, Construction, and Maintenance
- Industrial Facility Construction, Commissioning, and Maintenance
- Water, Wastewater, Stormwater, and PFAS treatment and management
- Emerging Technologies (Drones, AR/VR, 3-D Modeling, GIS, GPS, etc.)
- Geotechnical
- Sustainability and Energy Management

Visit www.eswp.com to submit your abstract by May 31, 2021

(Presenters earn additional PDH credits)
