The Engineers' Society of Western Pennsylvania (ESWP) is facilitating an Engineering Career fair!

The intent of this Career Fair is to connect engineering students within multiple universities within the region with employers seeking engineering talent! This will include students in search of co-ops, internships, and full-time/post-graduate positions. Below are some specifics!

Location:

Point Park University, Professional Career Readiness Center (PCRC)
Student Center - Lower Level
330 Boulevard of the Allies, Pittsburgh PA 15222

Woods-Allies Parking Garage: 232 Boulevard of the Allies, Pittsburgh, PA 15222

Secondary Parking at Third Avenue Garage: 238 Fourth Avenue, Pittsburgh, PA 15222

Date:

October 7th, 2025

Time:

2:00-6:00 PM

Cost:

Free to students

\$500 for Employers (waived for Governmental agencies)

Students:

**Scan Here for
More Information
via Handshake**

Benefits to Students:

- Opportunity to network with key employers who are seeking engineering talent
- Free student membership to ESWP which extends two (2) years after graduation
- Opportunity to apply for an ESWP student scholarship
- Opportunity to win a free invitation to ESWP's Annual Awards Banquet
- Opportunity to win gift cards which will be drawn throughout the career fair
- Parking vouchers for Woods-Allies garage and Third Avenue garage available to students

Benefits to Employers:

- Opportunity to meet students from regional universities seeking co-ops, internships, and full-time/post-graduate positions

Additional Information:

- Please see ESWP's Member webpage for potential employers invited to attend
- Please see ESWP's Career Fair webpage for additional information including invited universities and their associated engineering degrees

All proceeds from this event will go towards ESWP Student Scholarships
