### ***Design-Build Lessons Learned***

#### ***Perspectives from Owners, Contractors, and Designers***

We have assembled a panel of local Owners, Contractors and Designers to discuss successes, challenges and overall lessons learned on recent local and other design-build projects. Join us on June 23 to hear what worked well, why design-build made these projects successful, what challenges were encountered through the process and how the design-build delivery method helped overcome those challenges.

#### ***Panel Discussion and Q & A***
