BCONE Thanks the PA Brownfield Conference

- BCONE is pleased to be the welcome banner sponsor for this great conference
- BCONE enjoyed working on the conference planning committee
- BCONE is so proud to have Troy Conrad of PADEP on the BCONE Board of Directors
- BCONE is delighted that its Steering Committee Members, Colleen Kokas of ELT, Brian Clark of BIPC, and Elizabeth Limbrick of NJIT all have sessions here tomorrow
- BCONE is really excited with the progress of our PA Expansion Committee

BCONE 2018 Efforts in PA

- 2018 Events of the PA Expansion Committee:
 - Right here in the Lehigh Valley: April 19, 2018 Lehigh Valley Arts on Brownfields Tour and Networking
 - September 13, 2018: Current Opportunities in the PA Redevelopment Marketplace with Cosmo Servido, EPA Region 3 Administrator, held at Buchanan Ingersoll & Rooney PC in Philadelphia, PA

Meet BCONE's PA Committee

- Many of whom are here at this conference:
 - Mike Bliss, Hill Environmental (Chair)
 - Brian Clark, Buchanan Ingersoll & Rooney PC
 - Troy Conrad, PADEP
 - Kirstin Weiler, SGS
 - Trevan Houser, Clean Earth
 - Elizabeth Limbrick, NJIT
 - David Bausmith, AEI Consultants
 - Ian Bush, ETEC LLC
 - Representing PA on the BCONE Board of Directors: Troy Conrad, PADEP and Skelly Holmbeck, Montrose Environmental

Help BCONE Determine its 2019 Efforts in PA

- One \$1000 Scholarship to be awarded annually to a student at a PA college or university
- A whitepaper on fill issues; an education session, too?
- Especially fill issues across state jurisdictional lines within the BCONE region?
- Annual Hot Topics Update for the Region?
- Re-instate Brownfield Program Comparison for the US?
- Educational Programming: Suggest Topics! Environmental Liability Transfer? Opportunity Zones? Emerging Contaminants? You tell us.

Save the Date: NSCW 2019

10th Northeast Sustainable Communities Workshop - BCONE is hosting the premier metropolitan workshop on identifying sustainable goals and strategies for revitalizing communities and brownfields on June 4, 2019 at NJIT in Newark, NJ. NSCW brings together experts and attendees to discuss the most current and state of the art approaches and strategies. CALL FOR PANELS AND SPEAKERS COMING SOON.
