Dear Colleague:

The American Society of Highway Engineers (ASHE) - Pittsburgh Section, Engineers' Society of Western Pennsylvania (ESWP), the American Society of Civil Engineers (ASCE), and Women's Transportation Seminar (WTS) is requesting your firm's support with our second annual Joint Softball Tournament. The Tournament will be held on September 22, 2019 at the South Park Fairgrounds in South Park Township, PA. The purpose of this event is to provide our members a great networking opportunity in a relaxed, picnic-style atmosphere. This event will be open to member families and friends as well as students. Attendees will have the option to register as a softball player or spectator of the event.

To foster networking at the event, the tournament will be structured in a 'hat' format which will require each player to register individually. There will not be an option for pre-registered teams to limit competitiveness and create a level playing field for all teams. Each softball player will be provided a team shirt on game day to distinguish them apart from other teams.

For a donation of \$100, your organization is invited to share the spotlight and help make this event a success. All of our sponsors will be recognized during the event. In addition, your firm's logo will be placed on the back of the t-shirts to promote your generous donation. *An example of the t-shirt design is attached.*

If your firm is interested in participating in this event, please contact Patricia Wardy at pwardy@msconsultants.com or (412)-264-8701 and provide your firm's logo (preferably in high-resolution and black & white format). In order to ensure that the shirts are printed in time for the event, all logos must be provided by **Thursday, September 5, 2019.**

Please send your softball sponsorship check, payable to **ASHE Pittsburgh Section**, to:

ms consultants, inc
Attn: Patricia Wardy
Airport Office Park #4, 2nd Floor
333 Rouser Road

Your payment is due by **Thursday September 5, 2019.**

On behalf of all ASHE, ESWP, ASCE and WTS, thank you for your consideration.

Sincerely yours,

Patricia Wardy, EIT
