

Construction Inspector – Transportation

Stahl Sheaffer is currently seeking to hire a **Transportation Construction Inspector** to join our Construction Inspection team at one of our various Pennsylvania office locations.

Construction Inspector Responsibilities:

- Perform construction inspection and documentation services on large utility, paving, bridge, and highway projects

Minimum Requirements for the Position:

- A High School diploma (or equivalent)
- ACI Technician Certification; PennDOT Concrete Technician Certification; NECEPT Field Technician Certification; Certified; NICET Certification in Heavy Highway Construction; and Troxler Nuclear Gauge Certification
- A valid driver's license and daily access to a motor vehicle
- The ability to obtain state and federal background clearances and pass pre-employment drug screening to permit working on-site

Preferred Qualifications:

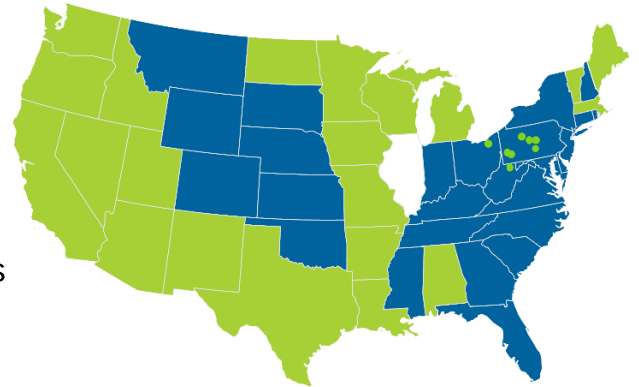

- Prior experience working as a Transportation Construction Inspector, Supervisor, or Manager
- Prior experience on Pennsylvania Turnpike, DOT highway, and/or bridge projects
- Basic math skills and the ability to understand construction plans, specifications, and procedures
- Prior experience with documenting daily construction activities which includes the measurement and calculation of pay quantities
- Proficiency in recording all details of multiple construction operations and applying this information to a daily inspector report
- Proficiency with Microsoft Office programs including Word, Excel, and PowerPoint
- Excellent oral, written, and interpersonal communication skills in order to work with co-workers, clients, and possibly the general public
